

TERMS & CONDITIONS

This information portal (www.energymarketprice.com) is owned by MIG. Use of this information portal, all subscriptions on www.energymarketprice.com is offered to the subscriber on acceptance of these **Terms and Conditions** and other notices posted on this portal.

Do not use this information portal if you disagree with any part of these notices, Terms and Conditions or Privacy Policy.

Intellectual Property

Unless otherwise stated, MIG owns the intellectual property rights in the website and material on the website, including all products and services as whole or in part. Subject to allowed access, all intellectual property rights are reserved, including copyright, trademarks, database and other intellectual property rights.

The design of this website including the text, images, graphics, layout, audio and video clips and databases contained herein are protected by copyright and are owned, except as otherwise stated, by MIG. The authors of this website have endeavored to adhere to the copyright of the graphics and text used in all publications, or to use their own graphics and text or to rely on unlicensed graphics and text. The contents of this webpage/website may by no means be interpreted in such a manner as to transfer by implication or any other manner, a license or ownership of a copyright, patent, trademark or any other protected right of MIG or a third party.

The subscriber is allowed to retrieve and display the content of the information portal on a computer screen, store it electronically or printed. The information can only be used for personal use and cannot be redistributed in any form, nor embedded in another business product or process, or for any other commercial use.

Without written permission from MIG, the subscriber cannot republish material from this website (including republication on another website); sell, rent or sub-license material from the website; show any downloaded document from the website in public. It is forbidden to edit all documents downloaded from the information portal.

The information service is principally addressed to users who legally reside in Switzerland or in a member state of the EU. This webpage/website and the contents (in particular the graphics, audio and video clips, HTML codes, buttons and text) provided therein may not be copied, linked, reproduced, published, transmitted, transferred or distributed and marketed in any manner without the prior written permission of MIG. The distribution or use of the information or of parts of it is restricted to private purposes only and only in countries where distribution or use, do not violate the existing law. Any commercial use is allowed only with explicit authorization by MIG.

Pricing and Descriptions of Products and Services

Disclaimer of Warranties

MIG PORTAL & WEBSITE

The use of this website and access to portal, a product, service or content is provided is at the own risk of the subscriber.

MIG expressly disclaims all warranties of any kind, either implied or express, including but not limited to warranties of merchantability, fitness for a particular purpose, and non-infringement.

MIG makes no warranty, either implied or express, that any part of the service will be uninterrupted, error-free, virus-free, timely, secure, accurate, reliable, or of any quality, nor is it warranted either implicitly or expressly that any content is safe in any manner for download.

TERMS & CONDITIONS

All actions taken based upon information from the www.energymarketprice.com portal will be at own risk of subscriber. MIG cannot be held liable in any way.

The content on this site, including news, quotes, data and other information, is provided by MIG for the personal information of the subscriber only, and is not intended for trading purposes. Content on this site is not appropriate for the purposes of making a decision to carry out a transaction or trade. Nor does it provide any form of advice (investment, tax, legal) amounting to investment advice, or make any recommendations regarding particular financial instruments, investments or products.

None of the information on this website can be used as specific legal advice. MIG will not be liable for any direct, indirect, special, incidental, consequential or exemplary damages; this includes, but is not limited to, damages for loss of profits, goodwill, use, data or other intangible losses, resulting from: the use of information or the inability to use this information; the cost of obtaining substitute goods and/or services resulting from any transaction entered into on through services; unauthorized access of your data transmissions; statements by any third party or conduct of any third party using services, or any other matter relating to services.

This site does not provide investment advice. We do not request personal information in any unsolicited email correspondence with our customers. Any correspondence offering trading advice or unsolicited message asking for personal details should be treated as false and reported to MIG. MIG shall never be liable for any errors, inaccuracies or delays in content, or for any actions taken in reliance thereon. MIG expressly disclaims all warranties, expressed or implied, as to the accuracy of any the content provided, or as to the fitness of the information for any purpose. Although MIG makes reasonable efforts to obtain reliable content, MIG does not guarantee the accuracy of or endorse the views or opinions given by any third party content provider. This site may point to other Internet sites that may be of interest to you, however MIG does not endorse or take responsibility for the content on such other sites.

REFERENCES AND LINKS

With regard to direct or indirect references to other Internet pages ("links") that are beyond the scope of MIG's responsibility, a liability obligation only applies if the content of such pages was known to the author, and if it is reasonable and technically possible for the author to prevent their use in the case of illegal content. As such, the author expressly states that no illegal content could be identified on the linked sites at the time when the links were created.

MIG has no control over either the current and future design, or the content of the linked/referenced sites. The author therefore dissociates him/herself expressly from all content on all linked/referenced pages which was modified after the link was created.

This statement applies to all links and references created within the author's own website, as well as to third-party entries in mailing lists set up by MIG. The liability for illegal, incorrect, or incomplete content, and especially for damages resulting from the use or non-use of such information provided, rests solely with the provider of the page to which the link leads, and not with the person who established the link.

NEWSLETTERS AND OTHER PUBLICATIONS

Whilst MIG has used reasonable endeavors to ensure that the information provided by MIG in newsletters and other publications is accurate and up to date as at the time of issue, it reserves the right to make corrections and does not warrant that it is accurate or complete. News will change with time. MIG disclaims all liability to the maximum extent permitted by law in relation to the newsletters or other publications and does not give any warranties (including any statutory ones) in relation to the news. Any copying, redistribution or republication of MIG's newsletter(s) or other publications, or the content thereof, for commercial gain is strictly prohibited.

TERMS & CONDITIONS

CIRCUMSTANCES BEYOND OUR REASONABLE CONTROL

MIG is not liable for delays in performance caused by circumstances beyond our reasonable control and will be entitled to an extension of time for performance; examples include but not limited to web server outages, internet connections, third party governmental or regulatory action and natural disasters. If such circumstances continue for more than 2 months, either party may terminate a contract for the purchase of information without compensation.

Security and Privacy Policy

MIG respects your privacy and seeks to protect your personal data.

MIG collects and uses your information to administer, support, improve and obtain feedback on our information services. MIG can use the information on the subscriber to personalize its offering. If the subscriber is registered to the information portal, MIG may contact you to obtain feedback on its service and information.

PERSONAL INFORMATION

The data protection laws are designed to protect individuals about whom information is entered and stored on computer and other systems. Accordingly, there are strict standards of accuracy, relevance and care of such data including how it may be divulged. Any personal data, which you provide to us will be subject to these laws and you are responsible for its accuracy and relevance and must have the authority to disclose it and for us to use it for the purposes of any transaction concluded for or by you or for our other internal business uses. While reasonable care is taken to protect the confidentiality of your details stored on our side we cannot be liable if, through no fault of ours, these details are intercepted by and used by unauthorized third parties.

The personal information includes your contact details, registration and payment details, support problems and surveys. MIG does not request personal information in any unsolicited email correspondence. Any unsolicited message asking for personal details should be treated as false and reported to MIG.

MIG may store your information in its customer relationship databases.

Except in case the law permits or unless specifically agreed, MIG does not sell or rent your personal data to third parties.

COOKIES

A "cookie" is a piece of software, which may be sent to your computer. Cookies enable us to collect information about how our information portal and services are being used and to manage them more efficiently. You can turn off the ability to receive cookies by adjusting the browser in your computer but you should note that if you do so, this may materially distort the quality of service and data you receive. You therefore do this at your own risk.

Users agree to comply with the rules and the Code of Conduct in order to maintain the quality of the user experience. MIG will take complaints about other users conduct and privacy seriously and you can raise such complaints at any time via the Leave your Opinion button.

SECURITY POLICY

Please note that online payments are always made through secure screen of the PayPal payment system and as such MIG has no access to your credit card details.

TERMS & CONDITIONS

Right to change Terms and Conditions

MIG reserves the right to change the above Terms and Conditions at any time. Such changes will become effective and binding after their posting on www.energymarketprice.com. Subscriber shall regularly review the Terms and Conditions and be aware of the changes made. By continuing to use this website after a revision has been posted, the subscriber agrees to abide by them.

Legal Validity of this Terms and Conditions

These Terms and Conditions form part of the website containing the link to this page. In the event that individual parts of or formulations contained in this text are not, or are no longer, legally valid (either in whole or in part), the content and validity of the remaining parts of the document are not affected.

Miscellaneous

The terms and conditions herein, solely in connection with the Services:

- shall supersede any other terms between subscriber and MIG;
- shall be for the benefit of MIG, its data providers and its and their respective affiliates;
- may not be amended unless agreed to in writing by MIG;

Applicable Law - Jurisdiction

These terms and conditions shall be governed by and construed in accordance with the laws of Switzerland and the parties irrevocably submit to the exclusive jurisdiction of the Swiss Courts.
